

ELIZABETH MOIR SCHOOL

SENIOR SCHOOL

## COMPUTER SCIENCE TEACHER

**Are you a dedicated teacher committed to getting the best out of your students?  
Do you want to work in a high-achieving, progressive, international environment?**

**All applicants will:**

- have excellent academic qualifications including a degree in a relevant subject
- have studied or worked overseas or at an international school
- be enthusiastic about their subject and dedicated to preparing interesting and innovative lessons
- be keen to learn new teaching methods and the latest approaches to their subject

*Applications including curriculum vitae, covering letter and the names and e-mail addresses of three referees should be sent or e-mailed to:*
