

We Are Hiring

DIGITAL MARKETING EXECUTIVE (Work From Home)

About Us:

We are a dynamic and fast-paced digital marketing agency dedicated to helping our clients thrive in the online world. Our team is expanding, and we're looking for a Digital Marketing Executive to join us in creating digital success stories.

Requirements:

- Age Between 20 - 30 Yr Old: We're seeking young, innovative minds who understand the digital landscape.
- Content Creation Skills for Social Media Platforms: Do you have a knack for crafting engaging content across various social media platforms? We want your creative flair.
- Fluency in English is a Must: Clear communication is key in digital marketing, and proficiency in English is essential.
- Ability to Handle Multiple Clients: Our clients have diverse needs. Your capacity to manage and meet multiple client expectations is crucial.
- Good Knowledge in Digital Platforms and Trends: Stay ahead of the curve by keeping up with the latest digital trends & platforms.
- Passion for Digital Marketing: Are you excited about the ever-evolving digital realm? Your passion will be your greatest asset.
- Flexibility to attend client meetings (Physical & Online)

Responsibilities:

- Handle Multiple Clients' Social Media Pages: Be the voice of our clients on social media, ensuring their online presence shines.
- Creating Monthly Content: Craft engaging content that sparks online conversations and brand loyalty.
- Client Acquisition: Play a crucial role in growing our client base by showcasing our expertise.
- Handle Clients and Their Requests: Be the go-to person for our clients, addressing their needs and requests promptly.
- Direct Reporting to the Director: You'll have a direct line to our director, ensuring your voice is heard and ideas considered.
- Monthly Reports: Provide insightful monthly reports that demonstrate your impact and our clients' progress.
