

# WE ARE HIRING

## Graphic Designer

Experience 2-4 Years | Work From Home

We are seeking a talented and motivated Graphic Designer to join our Creative team. In this role, you will work closely with our Senior Graphic Designers to design and produce a wide range of visual materials for our company and clients.

### RESPONSIBILITIES

- Develop creative concepts and design layouts for digital and print media, including social media graphics, websites, brochures, advertisements, and packaging.
- Edit and produce high-quality video content for marketing campaigns, social media, and other platforms.
- Collaborate with the marketing team to create visual content for campaigns, ensuring consistency with the brand's identity and message.
- Design and maintain brand identity elements, including logos, typography, color schemes, and visual guidelines.
- Create illustrations, infographics, and other visual content to enhance communication and engagement.
- Stay updated on design trends, tools, and technologies to continuously bring fresh and innovative ideas to the team.
- Manage multiple design projects simultaneously, ensuring timely delivery and high-quality output.
- Work closely with clients and stakeholders to understand their vision and incorporate feedback into the design process.

### QUALIFICATIONS

- Minimum of 3 years of professional graphic design experience.
- Proficiency in design software such as Adobe Creative Suite (Photoshop, Illustrator, InDesign, etc.).
- Strong portfolio showcasing a diverse range of design projects and styles.
- Excellent understanding of design principles, typography, color theory, and layout techniques.
- Strong communication and collaboration skills, with the ability to present and explain design concepts to non-design stakeholders.
- Ability to work independently and as part of a team in a fast-paced, deadline-driven environment.
- Attention to detail and a passion for creativity and innovation.
- Expertise in video editing software such as Adobe Premiere Pro, After Effects, or similar.
- Proven experience in video editing and motion graphics.

\*Ability to work in a UK time-based environment (1pm - 10pm(SL Time))
