We Are Hiring
for Various Positions!

Hospitality Business Analyst

Position Overview:

Analyse and interpret data to support strategic decisions in hotels, focusing on market trends, financial performance, and operational efficiency to enhance profitability and guest satisfaction.

Key Responsibilities:

- Data Analysis, Reporting, Financial Analysis, Market Research, Operational Efficiency, Forecasting and Stakeholder Collaboration.
- **Education:** Bachelor's degree in Business Administration, Hospitality Management, Finance, or a related field.
- **Experience:** Minimum of 2-3 years of experience in a business analyst role, preferably within the hospitality industry.
- **Skills:** Strong analytical skills, proficiency in data analysis tools (e.g., Excel, SQL), excellent communication and presentation abilities, and knowledge of financial principles and market research techniques.
- **Attributes:** Attention to detail, problem-solving mindset, ability to work independently and as part of a team, and a passion for the hospitality industry.

Work Environment:
The role typically involves working in an office setting within the hotel.

Career Path:
Opportunities for advancement may include roles such as Senior Business Analyst, Revenue Manager, or Director of Strategy, depending on performance and experience.
