WE ARE HIRING!

IF YOU HAVE A FLAIR FOR CREATING ENGAGING AND TRENDY SHORT-FORM AND LONG-FORM VIDEO CONTENT, WE WANT TO HEAR FROM YOU!

Multimedia Designer
Remote (Work-from-Home)
Full-Time

Job description

- Design and produce high-quality multimedia content, including short-form videos, long-form videos, and graphics.
- Utilize Adobe After Effects, Premiere Pro, Photoshop, Illustrator, or similar applications to create visually compelling and on-trend content.
- Implement advanced techniques such as transitions, masking, and special effects to enhance video and graphic presentations.
- Manage and prioritize multiple projects simultaneously while adhering to tight deadlines.
- Flexible working hours with a remote work-from-home setup.

Requirements for this role

- Proven experience in multimedia design with a strong portfolio showcasing your skills in short-form and long-form content creation.
- Proficiency in Adobe After Effects, Premiere Pro, Photoshop, Illustrator, or other relevant design software. (Please note, that familiarity with apps like Cap Cut is not required.)
- Strong knowledge of advanced design techniques including transitions and masking.
- Excellent time management skills @with the ability to deliver content promptly.
- Must be available full-time and free from other significant full-time commitments.
