

## Data Officers

### WORKING FROM HOME

We invite applications from persons experienced in handling data on various projects, analysing them into meaningful project reports and submitting daily weekly and monthly reports on a timely basis to the management of the group companies in the UK and other parts of the world.

You will report to the UK Management and will have a direct contract with the UK Company. Excellent and a progressive remuneration package will be offered to the right candidate. Preference will be given to applicants who can start immediately

Please send in your CV with a copy of a Passport Sized Photograph attached therein to
