

Australian Tax Accountant Metrix Sourcing Opportunity to work from home

We are a Sydney based Accounting & Advisory firm closely working with our clientele on the ongoing performance of their individual and business needs. We provide insightful and timely reporting to our clients to assist in making strategic & impactful decisions in real time.

We have exceeded performance goals over the last 2 years, and now have a need to engage a Specialist Tax Accountant who can help deliver the high level of service we are committed to providing our clients.

Given you will be looking after clients based in Australia, your working hours will be from 4 am to 12 Noon Monday to Friday Sri Lanka time.

Very attractive remuneration package on offer.

Key Responsibilities

- Preparation of financial statements and tax returns, BAS and IAS for a diverse range of small business clients including companies, trusts and sole traders.
- Assist with ad hoc bookkeeping tasks.
- Assist with cash flow management, tax planning, and compliance.
- Completion of ATO & ASIC Registrations.
- Collaborate closely with the director to ensure client needs are met and exceeded.
- Utilise the latest accounting software and technology to streamline processes and enhance efficiency.
- Participate in regular training sessions to stay up-to-date with the latest industry developments and ensure your ongoing success in the role.

Qualifications

- **Minimum of 3 years' of accounting experience working in a tax role within an Australian public accounting practice.**
- Experience working with small to medium-sized businesses.
- Sound technical knowledge on areas such as Div7A, FBT, CGT, Balance sheet recs, tax planning etc.
- Extensive experience with Xero & Xero Practice Manager. Knowledge handling FYI would be an advantage.
- Proactive and positive attitude to work.
- Strong communication skills - ability to build rapport and collaborate with both internal and external stakeholders.
- Excellent time management in meeting internal and external deadlines.
- A proactive approach to problem-solving and a commitment to providing exceptional client service.

If you are serious about progressing in your career, and you meet the above requirements, look no further.
