

Data Entry Operator

About EY

As a global leader in assurance, tax, transaction, and consultancy services, we're using our knowledge and systems we've developed to build a better working world. That starts with a culture that believes in giving you the training, opportunities, and creative freedom to make things better.

In a world that's changing faster than ever, our purpose acts as our 'North Star' guiding our more than 350,000 people — providing the context and meaning for the work we do every day.

If you can confidently demonstrate that you meet the criteria above, join us in building a better working world.

EY Sri Lanka is looking for a data entry operator.

Interested candidates matching the above criteria can send in their resumes to EY. Following are the prerequisites for an ideal candidate:

- Minimum 1 year experience in a similar capacity
- Good knowledge of Ms Word and Ms Excel
- Good communication skills in English
- O/L English B and A/L English B

To Apply

Send in your resume with names and contact details of three non-related referees to careers@lk.ey.com stating the position you are applying for on the subject line of the e-mail.
