

Vacancy at Gateway

# Graphic Designer

Are you a visionary designer with a passion for creativity and innovation? Do you thrive in transforming ideas into stunning visuals? We are looking for a Graphic Designer to join our dynamic team and make a lasting impact through compelling designs!

## What You'll Do:

- Create engaging and on-brand graphics for a variety of media (print, digital, web, social, etc.)
- Develop original designs and collaborate with marketing and creative teams on campaigns
- Conceptualize visuals based on requirements and feedback
- Ensure final graphics and layouts are visually appealing and align with brand guidelines
- Work on multiple projects simultaneously, meeting deadlines and managing time effectively

## What We're Looking for:

- Proven experience as a Graphic Designer or similar role
- Proficiency in Adobe Creative Suite or similar applications
- A strong portfolio showcasing your creative design skills
- Excellent attention to detail, typography, and layout skills
- Ability to communicate ideas clearly and effectively

---

Successful candidates can be assured of an attractive remuneration package in keeping with competitive industry standards, a great working environment and good career prospects.

Please apply with a complete CV with the names and addresses of two non-related referees to the given email address.
