

# We're Hiring!

# JUNIOR VIDEO EDITOR & CONTENT UPLOADER

## WHAT WE ARE LOOKING FOR

- Download and edit videos for YouTube Shorts and other social media platforms.
- Add captions, effects, and transitions using video editing tools such as CapCut or Adobe Premiere.
- Create visually appealing thumbnails using Canva or similar design software.
- Upload videos to YouTube and other social media platforms following best practices for optimization.
- Assist in managing content schedules and meeting daily/weekly upload targets.
- Work with ChatGPT for content ideas, captions, and video descriptions.
